**SREE BUDDHA CENTRAL SCHOOL
PATTOOR**

Sree Buddha Central School, Pattoor was established in the year 2003 under the management of the Sree Buddha Educational Society, Kollam. The Society is a registered voluntary social and cultural organization which endeavours to popularize the sublime teachings of the world teacher - Sree Buddha. The School was formally declared open by Prof. K. Sasikumar, Chairman, Sree Buddha Educational Society on 16th May 2003 at the temporary site in Pattoor Junction. The school is shifted to the permanent site facing the lagoon near Sree Buddha College of Engineering on 1st June 2004. The growth of the institution, no doubt, is phenomenal and it is made possible because of the whole hearted support of the Public, especially the Parents.

AIMS AND OBJECTIVES

The Sree Buddha Educational society has many programmes on the anvil. The school is a sister institution of Sree Buddha College of Engineering, Pattoor. Well-qualified teachers with vast experience in teaching are appointed to give academic leadership. COMMUNICATION TO PARENT

Date	Class Teacher's Remarks	Signature of Parent

The purpose of education is not merely training a child for a career to earn his livelihood. Education should aim at the all round development of the individual and help him to become inheritor of the cultural heritage of the past. Education should inculcate ethical idealism and try to bring out, what is within. There should be an integrated growth of the body, mind and emotions so as to give a balanced personality.

The school will strive to achieve these aims by planning the daily routine of the institution in these lines. A sense of competitive spirit is essential to excel in this age. The school provides ample opportunities for the pupil's physical, intellectual, moral and spiritual growth. Absolute freedom is given to the pupils for the development of the personality.

MEDIUM OF INSTRUCTION

The medium of instruction is English. Besides, Malayalam and Hindi are also taught. The management wants every student to acquire proficiency in speaking, reading and writing all these languages.

SCHOOL ASSEMBLY

Every morning all the students and teachers assemble for fifteen minutes before the classes begin. After the morning prayer the National pledge will be recited by all the members at the assembly. It will be followed by the news reading; both Malayalam and English and the comments by the teacher on duty. The important announcements for the day will be made at the assembly. The assembly concludes with National Anthem.

PARENT - TEACHER ASSOCIATION

There is a parent - Teacher association in the school. The P.T.A. is expected to bring to the notice of the management any short comings and put forward practical suggestions for the better functioning of the school.

TRANSPORT FACILITY

The school provides transport facility to the students and it will be expanded in the coming years.

A MODEL CENTRE OF EXCELLENCE

We aim at making this school a great model centre of excellence capable of producing the very best citizens from this part of the country. It is regrettable that Kerala which produced outstanding men and women in different fields of human enterprises, has miserably failed of late, for obvious reasons. The aim of this school is to make good this inadequacy and deficiency to the extent possible by training our students using modern techniques and equip them well for any worth while vocation and also to compete for various All India Competitive Examinations. We hope and wish that our efforts would bear fruit and we will be able to fulfil the aspirations of our pupils and their beloved parents.

Facility of computer training is available in the school to keep the children abreast with the modern trends in education and technology. Digital classes with smart boards are provided for cognitive learning process. The school encourages the pupils to develop their personality by giving exposure to extra-curricular activities. Much thrust is given in training the pupils in different co-curricular activities. Measures are taken to enhance the communication skill in English .
